

Spring 2017

Dear Friend,

Stepping Stone Support will host its 5th Annual Charity Brunch on Sunday, May 21, 2017 at Sunset Harbour in Patchogue. All proceeds from this event directly benefit local families affected by cancer.

Stepping Stone Support founded in 2005 by a cancer survivor is a grassroots, all-volunteer nonprofit 501 (c)(3) organization. The mission of Stepping Stone Support (Organization) is to help men and women affected by cancer and infertility. Annually, the Organization provides wish list gifts, new toys, winter necessity items, in home beauty services, gift certificates, prepared meals, and more to cancer patients in treatment, their caregiver, and their children through its Survivor's Little Helper Program.

Stepping Stone Support has partnered with many local charities and cancer centers to offer support to cancer survivors and their families. In addition, SSS and the Foundation For Women's Cancer have partnered together to raise the much needed dollars for gynecologic cancer awareness, education, and research.

We are seeking items to be included in our raffle. This is a valuable opportunity to make a difference in the life of a survivor while highlighting your business. I want to express my sincere appreciation for your belief in our mission. The support received from corporations, organizations, and individuals like you make it possible for us to succeed in helping those in need.

Thank you for your support!

For additional information, to become further involved in our efforts, or to purchase tickets for this event please contact us at info@steppingstonesupport.org or visit our website at www.steppingstonesupport.org.

Please accept our thanks for your thoughtful consideration.

Regards,

Reneé Lynn Scott
