STEPPING STONE SUPPORT X

A local, all-volunteer nonprofit 501 (c)(3) organization dedicated to helping families affected by cancer. Annually, through Survivor's Helper program, we select local cancer patients in treatment, their caregiver, and children to receive new holiday gifts, toys, winter necessity items, in home beauty services, prepared meals, and more during the holiday season. Nominations accepted online prior to September 1st annually.

We are Survivor's Helpers!

This Game is not a Fundraiser, it's a Family Fun Day!
